Costech
MICROANALYTICAL

Dumalyzer CHNS-0 ELEMENTAL ANALYZER FOR MODERN LABORATORIES

IDEALLY SUITED FOR:

- Research laboratories
- Agrochemical industry
- Food industry
- And other sectors requiring high-quality sample analysis

ADVANTAGES

- User-friendly interface and ease of use
- Minimal downtime and high reproducibility of results
- Compliance with ISO, CE, and ASTM standards
- Cost-effective operation
- Capability for integration with Laboratory Information Management Systems (LIMS)
